### Horse to be Registered

- Please provide at least three name options. Do not use punctuation marks or numbers. Name may not exceed 21 characters and spaces combined. Do not use names that sound similar to existing names, even if spelled differently.
- Application must be accompanied by at least four (4) clear, close photographs of the horse. These photographs must include each side and the front and rear views. Please do not trim or mark on the photographs. If the horse is freeze-branded, a photo of brand must accompany application.
- If the horse has minimal white qualifying areas, additional photographs of this area must be submitted.
- If photographs submitted do not clearly establish eligibility for Regular Registry, the horse will be registered into the Solid Paint Bred Registry. See Rule RG-050.B4.
- Include payment for all applicable fees.
- For more information on current fees or photo tips, please call our MemberCare line at Extension 778 or visit [apha.com](http://apha.com)

### Horse to be Registered

- Any erasures or alteration of horse information or dates will invalidate this breeder's certificate. Complete a new application if sire or dam information is incorrect as printed.
- Sire requirements must be met prior to the registration of any foal.
- Corrections to owners' names and addresses are acceptable.
- Sire and dam names and their owners' information must be completed.
- Foals with a CH or TB parent also must have on file a copy of the CH or TB registration certificate (both sides).
- If this is a CH or TB mare's first APHA foal, include a CH or TB mare enrollment fee of \$10.
- Dam owner at the time of foaling may utilize the Breeder's Certificate control number, located below the sire owner's signature, for online registration at [aphaonline.org](http://aphaonline.org).

### Signature Requirements

- Signature must be an individual signature.
- If the horse is owned jointly, the individual signature of either owner is acceptable.
- If an authorized agent is signing, there must be a signature authorization on file at APHA. Forms are available upon request or at [apha.com/forms](http://apha.com/forms).
- If any of the joint owners are not authorized to sign, or more than one signature is required, a Dual-Signature Authorization form must be on file. Information is available upon request.
- Names will be registered in any name other than the dam owner at time of foaling, you must complete the transfer information on reverse.
